

Application No. 09/574,637

**REMARKS/ARGUMENTS**

This amendment is a follow-up to attorney for Applicant's conversation with the Examiner yesterday regarding the typographical error submitted in the Amendment After Final Rejection submitted on May 29, 2003. It is the vehicle (and not the front wheel) that has the dimensions of 4.5 meters in length, 1.5 meters in width, and 2 meters in height. This has been corrected in the amendment, correctly amending claim 41. We apologize for any extra work that this has created for the Examiner.

All of the other claims in the amendment submitted on May 29, 2003, are those allowable by the Examiner. Claim 41 is hereby correctly amended to correct the typographical error from the May 29, 2003, amendment.

In view of the above amendments and remarks, it is respectfully submitted that all grounds of rejection and objection have been avoided and/or traversed. It is believed that the case is now in condition for allowance and same is respectfully requested.

If any issues remain, or if the Examiner believes that prosecution of this application might be expedited by discussion of the issues, the Examiner is cordially invited to telephone the undersigned attorney for Applicant at the telephone number listed below.

Respectfully submitted,
